

Scroll down

- . PA role - two K12 projects simultaneously
- . Coordination and contact with public client and permits public permits issues
- . Create, coordinate and details each project in Revit, interacting with all the consultants.
- . Work samples please refer to my website [www.argjcm.com](http://www.argjcm.com)

Some Highlights of my trajectory

**1. - Panther Lake Elementary school  
K12 studio.**

**Federal Way, WA  
Built, 2009**

**Responsibilities:**

Schematic Design	Design team 2 – Lead roll
Developments Design	<b>PA</b> – team 5 plus consultants
3D rendering	Coordination – Lead roll
DRC- permit	Coordination
Construction Documents	<b>PA</b> – team 4 plus consultants
Building permits	Coordination

All documents developed in BIM/Revit 2009, sketch up, and AutoCAD 2009  
Coordination, scheduling and managing in microstation

**Elementary school - Educational**

22 classrooms	875 sf average
Gym	3,600 sf
Dinning commons	2,000 sf
Library	2300 sf
Over 45,000 sf	Elementary school
71	Parking spaces

**2.- Valhalla Elementary school  
K12 studio**

**Alburn, WA  
Built, 2009**

**Responsibilities:**

Schematic Design	Design team 2 – Lead roll
Developments Design	<b>PA</b> – team 5 plus consultants
3D rendering	Coordination – Lead roll
DRC- permits	Coordination
Construction Documents	<b>PA</b> – team 4 plus consultants
Building permits	Coordination

All documents developed in BIM/Revit 2009, sketch up, and AutoCAD 2009  
Coordination, scheduling and managing in microstation

**Elementary school - Educational**

22 classrooms	875 sf average
Gym	3,700 sf
Dinning commons	2,400 sf
Library	2,300 sf
Over 51,000 sf	Elementary school
75	Parking spaces

**3.- Correctional Entity - Score  
Justice Studio**

**Des Moines - WA  
Under construction**

**Responsibilities:**

Schematic Design	Design team 2 – Lead roll
Developments Design	Senior Architect – team of 5 plus consultants
3D rendering	Coordination

All documents developed in sketch up, and AutoCAD 2010

**Correctional Entity – Justice Studio**

2 Housing	70,000 sf
Administ area	21,000 sf
Service area	22,000 sf
Intake/Medical area	19,000 sf

**Over 132,0000 sf  
90 staff / 46 visitors**

**under roof area  
Parking spaces**

**4.- Sunnycrest & Lakeland Elementary Schools  
K12 studio**

**Alburn, WA**

**Responsibilities:**

Schematic Design	Design team 2 for two schools – Lead roll
Developments Design	<b>PA</b> – team of 5 plus consultants
3D rendering	Coordination

All documents developed in BIM/ Revit 2009, sketch up, and AutoCAD 2010  
Coordination, scheduling and managing in microstation

**Elementary school - Educational -**

22 classrooms	875 sf average each
Gym	3,500 sf -each
Dinning commons	2,400 sf - each
Library	1,900 sf - each

Over 45,000 sf each  
60 average - each

Elementary school  
Parking spaces
